### Don't just take our word for it...

"They have always provided an exceptional level of service, nothing seems too much trouble and for busy exhibition Organisers that is priceless. They have recently formed their own company and the service that we have come to expect over the years is now just as good if not better. We will of course be using Inspire Furniture Hire Limited for all our future shows."

Terry Dullaway  
Partner  
PDS Associates

--

"We used Inspire Furniture for the first time and were extremely pleased with their service. They were very flexible and met all our demands and the needs of the exhibitors. The whole team were friendly and ensured exhibitors received the correct style of furniture for their stands - which incidentally was all in very good condition.

We will have no hesitation in using them again and would recommend Inspire to anyone thinking of hiring furniture in the future."

Western Business Exhibitions

--

"I'd just like to say how delighted I am at your quick response and ease of placing an order, unlike an earlier experience with another company today."

## We want to inspire you to exhibit in style -

The management team at Inspire Hire have over 30 years of specialist furniture hire experience in the exhibition industry. So when it comes to sourcing furniture ranges, organising timely deliveries, or guiding, animating and enlivening your furniture choice, you can be sure that we will be able to help.

With our centrally located warehouse facility being right by the Midland motorway network we are ideally placed to serve the UK's exhibition venues. All of our hire stock is checked, cleaned and maintained before being wrapped for delivery to your exhibition stand. Our stock of hire furniture is constantly being added to and updated but if there is something you particularly have in mind, and you don't see it in the following pages – *just ask!*

Inspire Hire is small enough to offer you an individual and personal service, but large enough to offer a range unrivalled in style and price.

We pride ourselves that everyone on the Inspire Hire team is prepared to go that extra mile to make sure that your furniture hire needs are fully met.
